A young woman with blonde hair, wearing a blue long-sleeved shirt, is smiling warmly. She is holding the hand of an elderly person whose hand is resting on a wooden cane. The background is a soft-focus field of colorful autumn leaves in shades of yellow, orange, and red. The overall mood is one of care and support.

- What are we here for?

We are here to promote the independence, rights, choice and inclusion of people with a learning disability, people with autism, their families and carers across North Yorkshire.

- We work with those who commission services to make sure that people with a learning disability and people with autism get the services they need.
