

Ideas for Future Forum Topics

1. More discussion around quality and feedback from baseline assessments
2. Challenges within services.
3. Tips on what to improve and how to improve on provision of care.
4. Autism/challenging behaviour and mental health issues in the community.
5. Brokerage system?
6. Brokerage system – How does it work?
7. Service providers – understanding where the need is & where it is? For example:
 - What is the next step?
 - What is the future model?

Ideas for Forum improvement

1. Some separate meetings for individual service types depending on the information being discussed.
2. Promoting networking – sharing business ideas
3. Sharing agenda in more detail so that discussions are more interactive.
4. Venues with parking.
5. Alternative/interactive speakers.
6. Morning sessions.
7. Focus on sector.
