

Frequently Asked Questions

Qu 1: Regarding the above opportunity on Pro Contract (yortender) I am just wondering if this is relevant for Tier 4 services please? At this stage we have not expressed an interest as wanted to find out a bit more from you first.

Answer 1: The Council wishes to re-procure a comparable community adult drug and alcohol misuse service, North Yorkshire Horizons, across the North Yorkshire County Council footprint. The service will provide/ facilitate access to inpatient and residential placements where appropriate, but this is a component of a broader community service that the successful bidder will deliver.

Qu 2: I am just looking at the details for the above Market Engagement event, and have been asked to clarify the service commencement date.

Within the text summary provided on the ProContract tender portal, it states 'The intention is to carry out consultation in June and July 2018 including a market testing event on 12th June 2018 ahead of the procurement of a new service to start on 1 October 2019.'

Answer 2: The contract for the North Yorkshire Horizons Service will commence on the 1st October 2019.
