

# Partnership Board WORK PLAN

The Partnership Board have finished their work plan. There are four topics in the plan:

- Living a good life
- Being healthy
- Keeping safe
- Making our voices heard

# GETTING INVOLVED

Three self-advocates went to the LDE event in Manchester

They travelled there independently

Self-advocates planned the Le DeR workshop

Self-advocates were chosen to quality check the LDE website

We shared ideas to recruit new carers

Christopher and Katie spoke to Richard Webb from NYCC about how coronavirus is making things difficult for disabled people.

Dean took part in the All Party Parliamentary Committee webinar.

Three self-advocates were part of an interview panel for NYCC

# STAYING CONNECTED

Staying in touch is really important!

We have a weekly online quiz

We have had video calls with self-advocates in Ghana.

We have made lots of new friends

We've found new ways to stay connected during the lockdown

ZOOM and GoTo meetings

# HUMAN RIGHTS

Activity Packs

In August we sent our Human Rights activity pack out to everyone.

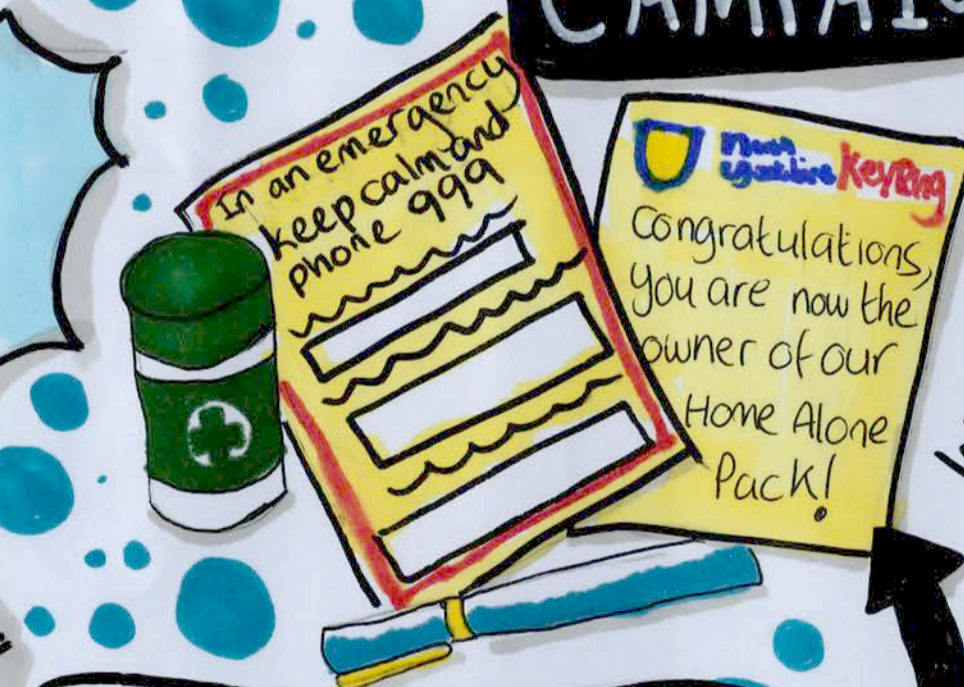

It has puzzles and questions about Human Rights.

People told us they think the packs are great

People all around the country are using the packs

# HOME ALONE CAMPAIGN

A self-advocate called David thought it would be good to do a campaign so people know what to do if something happens when you are at home alone.

We have created a 'Home Alone' pack

# HATE CRIME AWARENESS

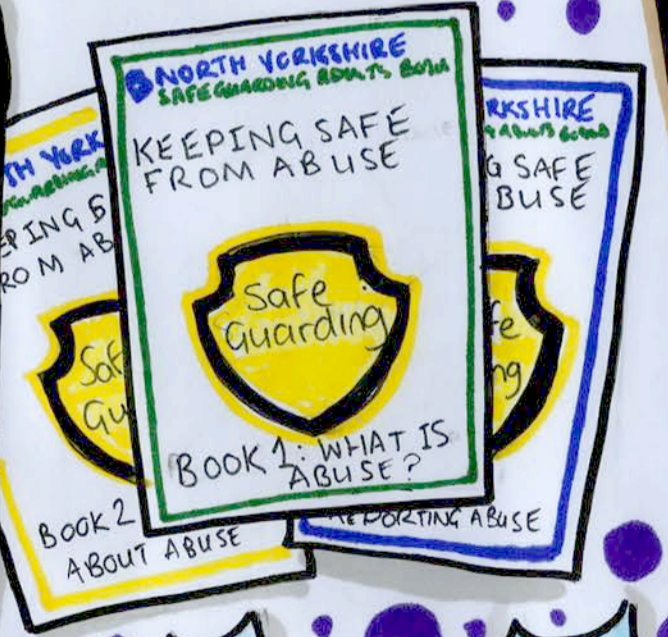

Mark, the Safe Places Champion, wrote a blog about Safe Places.

Sam, the self-advocate Keeping Safe Champion, recorded a podcast about Hate Crime.

# KEEPING SAFE

We co-produced Keeping Safe Guides with Inclusion North and the North Yorkshire Safeguarding Adults Board.

We also made a Keeping Safe Activity Pack. It has puzzles and questions to help people think about safety

We posted them to self-advocates and organisations

We also shared them online

We have received lots of positive feedback.

# The KEYRING NORTH YORKSHIRE SELF ADVOCATES PRESENT...

A celebration of our work and achievements

# SHARING INFORMATION

We continued to share helpful and accessible information. This included information about the coronavirus.
