# Prevent and Channel in North Yorkshire & City of York.

## ‘Working with Individuals Vulnerable to Extremism’

Everyone has a role helping to prevent people from being radicalised and drawn into terrorism

You can do this by checking any concerns you have

### Notice – Check - Share

## If you;

**Notice** a significant change in behaviour and use of language or someone expressing extreme political views

**Check** your concern with your manager or organisation’s Prevent SPOC in confidence, and if needed,

**Share** by following your organisation’s safeguarding referral procedure, remembering to highlight any radicalisation / extremism concerns.

If deemed appropriate, your manager or SPOC will share your concern with North Yorkshire Police Prevent Team.

## What is Prevent?

Prevent is the Government’s strategy to stop people becoming radicalised and supporting terrorism, in all its forms.

## What is Channel?

Channel is a partnership approach designed to support individuals vulnerable to being drawn into violent extremism or supporting terrorism.
